Common Core Journeys 2014 Student Edition, Grade 6
by Houghton Mifflin Harcourt

Tablet compatible literary and informational titles, selected according to the Common Core criteria for text complexity, and offered in one digital anthology, engage students with well-loved material worth reading and responding to. For every selection, features that support students in accessing the text, in reading deeply, and in developing evidence-based responses, are embedded before, during, and after reading. Vocabulary, speaking and listening, grammar, and writing instruction and activities are also included for each lesson.
