Padmakumar and produced by Fazil, while the screenplay was written by B Unnikrishnan and it stars Vidya Balan in the lead role with Manoj K Jayan and Nazriya Nazim playing supporting roles. This film is a comedy-drama based on relationships between old people, which won many awards at various international film festivals including Asian Film Awards, Dubai International Film Festival 2014, Kerala State Film Awards etc. The story revolves around three main characters, four old people and a younger woman who always keeps them in stress. Shahul is the nephew of Nandakumar, while Devika is the daughter of Nandakumar. The movie opens up stating that Lakshmi's husband had an affair with another woman and he died in an accident while trying to escape. Nandakumar feels responsible for this incident, as he should never have made his daughter marry him. He is a rich man and a good human being, but he always keeps a cool attitude. Devika always wants him to get married again and children, but Lakshmi is of the opinion that she has no right to make his decisions. Shahul works in a company owned by Nandakumar and he is in love with Devika. He asks her for marriage, but she asks him to wait for some more time because she feels that it would be wrong to leave her father alone like this. She disagrees with the decision of Nandakumar marrying another woman as she thinks that it would be too stressful for Lakshmi (Vidya). She wants them all to get together and helps her in giving the right advice to Nandakumar. After a few days, Shahul proposes again and Nandakumar accepts his proposal. Shahul cannot believe that he is going to marry his love after knowing that she is already married. He runs away from the house and reaches a hotel opposite to their house. As Lakshmi faces a tough time in trying to get over her husband's death, Nandakumar has been keeping Devika out of his life since she is married to somebody else. But she wants him back in her life for good reasons, which include the safety of their family members, apart from their love for each other. Nandakumar goes on a journey with Shahul to get Devika back from the man she is married to, and on the other hand, Lakshmi decides not to marry again and follows Nandakumar's journey.
